

2003 Catalog

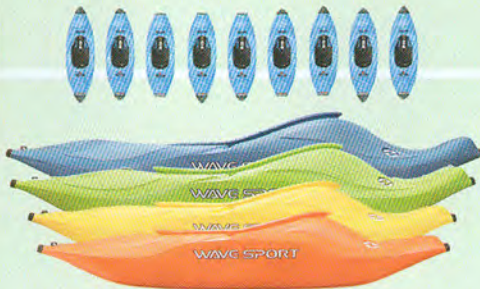

WAVE SPORT

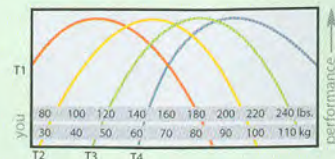

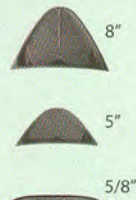

TRANSFORMER series

Short boats get air. Slicey boats squirt and cartwheel. Now one kayak can do it all – with three interchangeable tips, the ends of the Transformer can be extended from the 5/8" bumper to 5", or even 8", providing increasing amounts of vertical control. Mix and match tips for unique play performance.

	T1		T2		T3		T4	
Length	6'	184cm	6'2"	189cm	6'6"	198cm	6'9"	206cm
Width	25"	64cm	25"	64cm	27"	68cm	27.5"	70cm
Depth	12"	30.5cm	12.75"	32cm	13.25"	34cm	13.75"	35cm

Volume	49gal	188l	55gal	212l	60gal	231l	67g	258l

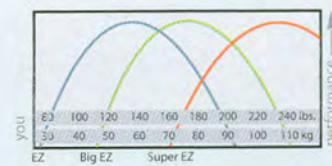

EZ
series

No other kayak can match the versatility and user-friendliness of the EZ series. Regardless of your skill level, the stability and performance of the EZ design will enable you to work with the river instead of against it.

	EZ		Big EZ		Super EZ	
Length	7'1"	216cm	7'5"	228cm	7'3"	222cm
Width	25"	62cm	26"	65cm	27"	69cm

Weight	35lbs	16kg	37lbs	18kg	39lbs	18kg
Volume	47gal	181l	51gal	196l	62gal	238l

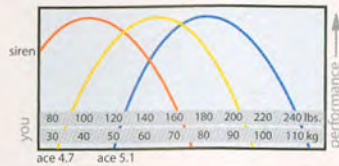

paddler: debs pinniger

SIREN & ACES

X & Z

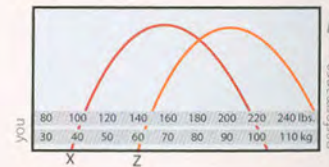

paddler: kate townsend

The **Ace 4.7** and **Ace 5.1** enable effortless vertical moves, more aerial blunts and the cleanest spins ever. They are more play-oriented than an EZ but less aggressive than a Transformer; slice but not edge, fast on a wave with a surf friendly hull.

The **Siren** is the industry's first kayak designed exclusively for women. It utilizes the Ace hull design but is reconfigured to better fit a woman paddler making it easier to roll and control.

	Siren		Ace 4.7		Ace 5.1	
Length	7'3"	221cm	7'3"	221cm	7'7"	230cm
Width	23"	57cm	25.25"	64cm	26.25"	67cm
Depth	11"	28 cm	12.5"	32cm	13"	33cm
Weight	32lbs	15kg	37lbs	17kg	39lbs	18kg
Volume	41 gal	158l	47gal	181l	51gal	196l

The **X**. Not too big for freestyle, not too small for river running, the X is an extremely versatile kayak for the beginner to intermediate boater. Surprisingly user-friendly and forgiving, it's a great pick for the smaller or more aggressive novice.

The **Z** is so multifunctional, so amazingly affordable, it's a kayak you can't outgrow. Ideal for the novice looking to improve their skills quickly, it has the same characteristics as the X but modified for the larger paddler.

	X		Z	
Length	8'	244cm	8'8"	263cm
Width	25"	62cm	26"	65cm
Depth	12"	30cm	12"	30cm
Weight	38lbs	17kg	41lbs	18kg
Volume	56gal	215l	63gal	242l

MUTANT & Y

F.A.T. OUTFITTING

(FIT ADJUSTMENT TECHNOLOGY)

FAT 3.0

The Transformers are fitted with FAT 3.0 which includes all the features of FAT 2.0 plus a modified adjustable foot bulkhead and a new thigh hook system.

FAT 2.0

- Fully adjustable thigh hook system.
- Foot bulkhead that is infinitely adjustable while you are seated.
- Padded seat with adjustable position, height and leg cant.
- Molded adjustable backband.
- Adjustable sculpted hip pads.

FAT 1.0

- Fully adjustable thigh hook system.
- Covered foam seat pad.
- Adjustable sculpted hip pads.
- Sculptable foot shims.
- Adjustable backband.

Transformers				3.0
EZs			2.0	
Aces & Siren			2.0	
Mutant			2.0	
Evo	1.0			

The X, Y and Z are fitted with Wave Sport basic outfitting which includes: Molded thighbraces, adjustable footbraces, adjustable back band, molded seat pad and hip pads.

Kayak Colors 2003

	Yellow
	Orange
	Blue
	Blue Steel
	Red
	Nuclear Green

All boats are available in all colors except the Evo, X, Y and Z which are available in red, yellow and orange.

EVO

paddler:: dan gavere

	Mutant		Y	
Length	8'1"	241cm	8'2"	249cm
Width	25"	63cm	25"	64cm
Depth	13"	33cm	13"	32cm
Weight	43lbs	20kg	44lbs	20kg
Volume	61gal	235l	73gal	281l

The **Mutant** is a new-generation creekboat design that's optimized for the smaller paddler. Its unique hull shape lets it turn on the stern like a playboat.

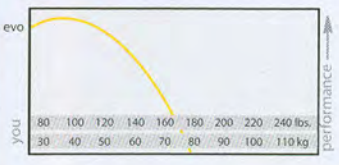

The **Y** is our classic creekboat that combines high volume in a short, maneuverable hull. Plenty of rocker and high, flared sidewalls provide excellent stability and control.

paddler:: erica mitchell

The **Evo** is the first true high-performance, super-loose, super-slicey playboat sized for younger paddlers, women and smaller men. The low cockpit rim and overall knee height provide unparalleled comfort, control and confidence.

	Evo	
Length	7'	213cm
Width	23"	58cm
Depth	9.5"	24cm
Weight	33lbs	15kg
Volume	37gal	142l

Cockpit Wmns/Std/Lrg

The Wave Sport InterLoc™ System

Wave Sport introduces a revolution in technical kayak apparel... InterLoc. InterLoc utilizes areas of Velcro® laminate neoprene on key areas of sprayskirts, jackets and PFDs. By inserting InterLoc Discs (discs of double-sided hook Velcro) between these key areas, you effectively lock garments together, preventing unwanted movement and completely eliminating garment ride-up.

InterLoc literally "locks" your gear together!

You'll immediately notice the difference out on the river. At the put-in you'll lock your gear in place right where you want it. At the take-out your gear will be in exactly the same position, without ever having to re-adjust. This means that you'll be more comfortable and more confident, leaving more time to concentrate on perfecting that new move or nailing your line instead of pulling your PFD out of your face!

(Wave Sport InterLoc garments are fully compatible with other manufacturer's products. However, the InterLoc systems benefits are only realized when using multiple InterLoc garments.)
