

**2016 PRODUCT CATALOGUE**

# WAVE SPORT®

30 years on from that first Wave Sport whitewater kayak the brand celebrates a big birthday and also a big move – all kayak production moves to its European facilities, a purpose built kayak factory on the South coast of the United Kingdom.

Wave Sport's continued success as a leading premium whitewater kayak brand, is partly due to the iconic, revolutionary designs that have steered paddling as we know it... but also the support and enthusiasm that owners of Wave Sport kayaks have shown for the brand.

A big thank you to all fans and Wave Sport owners past and present.

**NO EXCLAMATIONS. NO EXCUSES.** There aren't enough definites in life. But when you're in your boat, **YOU'RE IN CONTROL. YOU CAN GO ANYWHERE YOUR SKILL AND EQUIPMENT CAN TAKE YOU.** That's why we've poured our heart and souls into designing boats that master the unpredictable and let you discover new lines, new experiences and new levels of progression in your journey. **FROM FREESTYLE TO CREEKING** we're giving you the tools to push the envelope however you wish. And to take control. Because **THE JOURNEY IS WHAT YOU MAKE IT. AND YOU ARE THE JOURNEY.**

# THIS

# IS

IT'S ABOUT YOU AND THE WATER.  
Release your potential. NO RULES. ONLY FREESTYLE.

# FREESTYLE

# MOBIUS

Our freestyle machine is short and fast with forgiving qualities that allow beginners to the sport to learn and progress quickly, while offering seasoned competitors an experience they too will appreciate. Between the rounded edges, the sculpted side walls, and the soft curvature of the bow, this predictable design makes loops, mcnaustys and phonix monkeys easy to initiate. It is extremely loose and fast on waves, featuring a continuous rocker profile and a stern release edge that allows quick acceleration down a wave.

 DEFINES YOU.

# THIS IS CREEKING RECON

Reconnaissance is the military term for exploring beyond the area occupied by friendly forces. While the creeks may call out to us, the forces of the river don't always welcome our exploration. Performing at the highest levels of creeking and class IV-V+ boating, the Recon handles creeks and rivers efficiently, confidently and safely, with boofability worthy of a new term. Helping boaters make limit pushing a way of life – the Recon Series.

## RECON 70

- H** Upswept Bow + Extra Volume = Quick Resurfacing

# THIS IS

A TO B. AND EVERYTHING BETWEEN. There's a situation we'll deal with it. HALF BIG WATER, HALF TECHNICAL, ALL AWESOME.

# RIVER RUN DIESEL

Point A to point B. And all the points between. Are you skirting over a jumble of manky rocks to line up for a 15-foot boof? Or maybe you're in the midst of a rapid that reminds you of the Zambezi at flood. Either way, you need a kayak that deals with any situation Mother Earth throws at you. River running is half white-knuckle big water, half technical and all fun. And it's our job to keep it that way.

## DIESEL 60

# THIS IS RIVER RUN DIESEL

They've called it the 4x4 of kayaks. Runs rapids like a fast creekboat with a hull that will also spin on green waves. It is indeed, all that and more. Peaked deck for resurfacing – check. A honed combination of planing hull and continuous rocker for ultimate agility – check. Our trusty BlackOut Outfitting – check. Meet the SUV of river running.

# RIVER PLAY

# FUSE

RIVER RUNNER CRAVES FREESTYLE. Forgiving, yet loose on waves. SPRINTING TO SURF. Get downstream. Don't miss the playspots. HYBRID.

For the river runners out there who still crave some freestyle love, we've got your back. Our river running playboats get you down river in one piece while allowing you to surf the playspots. Expect the forgiveness of a river runner and the high-performance loose hull of a freestyle boat. If you're a river runner who sprints to surf every wave and hole along the way – you've come to the right place.

# THIS IS UNCOMPROMISED PERFORMANCE in a crossover package

# CROSSOVER

# ETHOS

The Ethos is a stable, forgiving, performance-minded crossover platform that offers a confidence-building introduction to paddling whitewater. The hull is manoeuvrable in rapids, yet tracks well on flat water with the help of a drop down skeg system. Offering outstanding comfort on long, multi-day river treks due to the roomy cockpit, sizeable gear-storage space and our trusty BlackOut seat system.

# CORE WHITEOUT

The CORE WhiteOut Outfitting combines our stylish, marine vinyl white pads with the most innovative outfitting technology today. Providing enhanced performance, unparalleled adjustability and comfort that is set apart by our leg lifter seat system, very convenient adjustment points, and more.

## CORE FEATURES INCLUDE

- Ratcheting leg lifter provides 7.5cm of elevation for added adjustability that allows more efficient energy transfer from the paddler to the kayak
- Seat booster pad included for extra customisation
- Comfortable cockpit padding with our stylish marine vinyl WhiteOut pads
- Multi-part adjustable thigh braces with removable outer thigh hook\*
- Quick-release, adjustable hip pads with optional padding for customisation\*
- Re-engineered forward ratcheting backband provides greater functionality and easier access to storage space behind the seat
- Multiple attachment points and security tethers for securing gear
- All adjustment parts are tethered to prevent loss

## ADDITIONAL CREEK FEATURES

- Intuitive controls allow 7.5cm of fore and aft seat adjustment
- Rotomoulded tank style creek seat is stiff and durable
- Step-out wall includes easy-grip handle for easy carrying and efficiency in the step-out motion

## ADDITIONAL PLAY FEATURES

- Intuitive controls allow 10cm of fore and aft seat adjustment
- Quick-reference indexing system allows on-the-fly adjustment
- Hull beam is welded to the kayak hull for durability and structural support

# BULKHEAD FOOTREST BLACKOUT CLUB

Our Bulkhead System is focused on safety and sets an industry standard of excellence.

The BlackOut Outfitting brings a high level of performance and comfort at great value.

CLUB Outfitting is designed to meet the robust environment of club and fleet use.

## BULKHEAD FEATURES

- Reinforced bulkhead footbrace system
- Expanding toe-cups that prevent feet from pushing past the bulkhead
- Foot padding for customisation included with CORE models (available separately for BlackOut models)

## BLACKOUT FEATURES

- Comfortable cockpit padding with our textured BlackOut pads
- Forward ratcheting backband<sup>#</sup>
- Adjustable seat and thigh braces
- Optional padding for customisation available separately, including black hip pads and seat booster pad<sup>#</sup>

## CLUB FEATURES

- Robust rotomoulded CLUB seat
- Rear adjust backband
- Adjustable thigh braces

#### CATALOGUE BOAT SPECS - HOW WE GET THEM, WHAT THEY MEAN

##### WEIGHT

Taken from a fully assembled boat.

##### CAPACITY

Fluid tests determine each model's capacity, with maximum being the greatest load the model can carry and still perform under typical conditions.

##### DIMENSIONS

Depths are measured from the highest point on the deck to the bottom of the hull directly under that point.

\* ETHOS CORE model is supplied with unique Flip-Over Carry Hip Pads and Adjustable Low-Profile Thigh Braces  
 # FUSE 35 model is supplied with Rear Adjust BlackOut Backband and kids BlackOut seat pad. The optional seat booster pad is not compatible
