

WAVE SPORT®

2017 WHITEWATER PRODUCT RANGE

More than 30 years on from the very first Wave Sport whitewater kayak the brand continues its success as a leading kayak manufacturer. Now producing all kayaks from a purpose built kayak factory on the South coast of the United Kingdom.

Wave Sport's reputation as a premium whitewater kayak brand, is partly due to the iconic, revolutionary designs that have steered paddling as we know it... but also the support and enthusiasm that owners of Wave Sport kayaks have shown for the brand.

A big thank you to all fans and Wave Sport owners past and present.
